### Part-Time Studies

EU's part-time studies in Austria give students the opportunity to complete their bachelor's degree while pursuing their professional career. The part-time option takes place on Fridays from 14:00 to approx. 20:00 and on Saturdays from 09:00 to approx. 19:00 plus 2 weeks in fully-day block format per semester.

The execution of a **full-time** format depends on the demand.
